EDUCATION

Daffodil International University

Bachelor of Science in Software Engineering

Expected Graduation: 2026

CGPA: 3.90/4.00

Milestone College

Higher Secondary Certificate (HSC) — 2020

Batakandi High School

Secondary School Certificate (SSC) — 2018

ABOUT ME

Software Engineering student with hands-on experience developing full-stack web applications using Java, Spring Boot, React.js, JavaScript, PHP, and MySQL. Built systems for shared-expense management, library operations, online shopping, and machine-learning-based fake-news detection. Seeking an internship or junior software developer position where I can contribute to practical software projects.

PROJECT EXPERIENCE

Smart Mess Management System

- React.js, Spring Boot, MySQL

Developed a full-stack system for managing meals, shared expenses, rent payments, dues, and monthly reports.

Fake News Detection Web Application

- Python, Flask, Machine Learning Built a web application that classifies news as real or fake using TF-IDF and Logistic Regression.

Online Shopping System

- Java, OOP Created a terminal-based shopping system with user login, product catalogue, shopping cart, and menu navigation.

Movie Ticket Booking System

- HTML, CSS, JavaScript, PHP Developed a web-based movie ticket booking system with user registration, login, movie listings, seat selection, payment, and ticket viewing features.

SKILLS

Programming Languages: Java, JavaScript, PHP, Python, C, SQL

Frontend: HTML5, CSS3, Bootstrap, React.js

Backend: Spring Boot, REST APIs, PHP, Flask

Database: MySQL, MongoDB

Tools: Git, GitHub, Maven, XAMPP

Concepts: OOP, CRUD Operations, JPA, Authentication, Data Structures and Algorithms, Machine Learning Fundamentals

SOFT SKILLS : Problem-Solving | Teamwork | Communication

Languages : BANGLA ENGLISH HINDI
